Dear Yoko,

How are you? I hope you're fine.

Let me tell you about my family. I live with my mum, my dad and my big sister. We live in California. My mum's name is Carmen. She's Mexican and she speaks English and Spanish. She's a Spanish teacher. She's short and slim, she's got long, brown hair and brown eyes. She loves cooking and dancing. She is a great teacher.

My dad's name is David. He's American. He's tall and a little fat! He's got short brown hair and blue eyes. He is usually busy because he works in a bank. He can't speak Spanish, and he hates cooking.

My sister Shania is 14 and she loves listening to music. She listens to music all the time! She's got long brown hair and green eyes, like me. I've got long hair too.

We've got a pet dog, Brandy. He's black and white and very friendly. Do you have a pet? How many people are there in your family?

Write soon and tell me about your family.

Love,

Kelly

Dear Brett

Thanks for your email. You do lots of sports at school in Canada. I'd love to play ice hockey one day.

We do lots of sports at our school too. We've got a swimming pool at school and our class go swimming every Wednesday. We also play tennis, volleyball and football, but football in Australia is different to soccer. You can touch the ball with your hands!

There are lots of after-school sports clubs in Australia too. I go to a surfing club after school on Tuesdays and Thursdays. We go to the beach and learn how to surf. It's great fun! Can you surf in your country?

*TASK: Write an email to your teacher telling her about a book you read.
(80-120 words)*

FROM: Javi
TO: JIM teacher
SUBJECT: Book summary

Dear Jim,

How are you? I hope you're fine.

I'm writing to tell you about a book. Do you like reading books? I sometimes read when I go to bed, but then I'm tired and I want to sleep.

The truth is I don't usually read because I don't have time, but last week I read one chapter of a book in English because my teacher sent a reading task on google classroom. I was very happy because I could understand the story in English. There were words I didn't understand but in general I read and understood many things.

The story was about a boy and his brother. They were children and they lived with their mother in a trailer. The father was not living with them. One day they went out to smoke and they found a man in a car. He was trying to kill himself. He saw Mark, the older boy, and he got him in the car. He told Mark that he was a lawyer and that he had a dangerous client, a member of the mafia. The boy escaped, but the man killed himself with a gun. The boys were frightened and they ran home. When they got home they called the police.

I want to continue the story. I liked this book because I love mystery novels so I would like to read the end. Would you like to read this book?

Tell me about your favourite book.

Take care and see you soon

Best wishes,
Javi
