Hi David,

I'm OK, thank you. I am a very happy but quiet person. My friends say I'm lots of fun. I am tall and thin, with blue eyes and short blond hair. I like playing football with my friends and listening to music on the radio. Also, I sometimes like travelling to other countries. This week, I would like to go to the cinema with my sister. After that, I would like to go to a new French restaurant in the city centre. Tell me more about you please.

Regards,

Ben

### TAREA 2

**Write about what your best friend normally does at the weekend. Please include as much information as possible (100-120 words).**

My friend Peter is a very active person. On Friday afternoon he finishes work and goes to a pub with his friends. After that, he goes home and has dinner with his family. On Friday evening, he normally relaxes at home.

On Saturday morning, he takes his dog for a walk and then he has lunch in a restaurant near his house. In the afternoon, he takes a nap and sometimes watches television. He never reads the newspaper at weekends.

On Sunday, he stays at home all morning. After lunch, he does some exercise and then takes a shower. On Sunday evening, he meets his friends and goes clubbing. At midnight, he brushes his teeth and goes to bed.
